RE: SUPPORT VESSEL AUTHORIZATION- MALOYA

Your application Ref MOA/FISH/02/2015 dated 13th October 2015 requesting authority for **MV MALOYA** to provide fishing support services in Kenya's EEZ to FV MANAPY Registration No. D1929204 and FV BERNICA Registration No. D1929727, both flagged in Mayotte- France, was approved on 19th November 2015. The vessel's details are:

Name of Vessel	Gross Tonnage	Year Built	Type	Flag	IMO No.	Port of Registration
Maloya	348	1995	Fishing	Seychelles	9128518	Port Victoria

The following conditions apply:

1. The authority **only allows** MV Maloya to provide support services to FV MANAPY and FV BERNICA. It shall be an offense to extend this service to other fishing vessels;
2. This authority will automatically cease with the expiry of the fishing license of **FV Bernica** on 3rd June, 2016, and will constitute an **offence** for Maloya to operate in Kenya's EEZ thereafter.

3. The Director of Fisheries shall be informed whenever the support vessel enters and exits the Kenya EEZ in the same way the licensed purse seiners do;
4. The vessel shall be identifiable by VMS;
5. When operating Fish Aggregating Devices (FAD), the type of FADS, the total number and any other necessary information as prescribed by the Indian Ocean Tuna Commission (IOTC) shall be provided on a timely and precise manner;
6. These conditions may be updated as necessary.
